

Docket No. 10010484-2

**Remarks**

This Amendment is responsive to the Final Office Action of August 12, 2004 and the Advisory Action of November 2, 2005. Reexamination and reconsideration of claim 4 is respectfully requested.

**Summary of The Final Office Action**

Claim 4 stands allowed.

Claim 6 stands rejected under 35 U.S.C. § 103(a) as being unpatentable over Bohorquez (US 5357081) in view of Suzuki (US 4514737), and Doluca (US 6208127).

**The Present Amendment**

Claim 6 is canceled by the present amendment. Since claim 6 is the only rejected claim, no other rejections or issues remain. Therefore, the present application is now in condition for allowance. Applicant reserves the right to pursue the subject matter of claim 6 in subsequent applications.

**Conclusion**

For the reasons set forth above, claim 4 patentably and unobviously distinguish over the references of record and is now in condition for allowance. An early allowance of all claims is earnestly solicited.

Respectfully submitted,

NOV. 16, 2005
